

Settimana 38 / 2021

28.09.2021

La riunione del gruppo di coordinazione internazionale dà l'avvio a una settimana molto interessante e ricca di cambiamenti. Insieme al sommoapostolo e agli apostoli di distretto Krause, Kriel (collegato via Zoom) e Storck discutiamo risultati dei diversi gruppi internazionali, li approviamo, risp. vengono liberati per essere trattati alla prossima riunione degli apostoli di distretto.

Martedì ha luogo la riunione degli apostoli di distretto europei nella sede della Chiesa internazionale a Zurigo.

Mercoledì mattina ci avviamo con il treno verso l'Austria. Mentre studio i documenti, il paesaggio sfilava ininterrottamente. In men che non si dica, mi trovo a Wörgl, nel Tirolo, dove il vescovo Peter Jeram mi aspetta. Insieme, ci rechiamo a Vöcklabruck, dove l'apostolo Matthias Pfützner e i fratelli e le sorelle ci danno il benvenuto nella chiesa. Ecco un resoconto sulla visita nella comunità: <https://nak.at/dbc/208748/389214>

Il mattino dopo, rifocillati, partiamo verso Salisburgo. Parto presto con il vescovo, mentre l'apostolo è occupato in una riunione Zoom con il gruppo di lavoro ecumenismo. I seniori ci aspettano. Con loro possiamo vivere un momento rinforzante e toccante. Durante colloqui personali vengono a galla molte preoccupazioni, ma anche esperienze gioiose. La parte culinaria non viene a mancare. In questo giorno è meglio dimenticare il valore che mostra la bilancia.

Dopo una visita a fratelli e sorelle, ritorno all'albergo per cambiarmi e per fare la valigia. La nostra prossima tappa è la comunità di Gmunden. I bambini, i genitori e il corpo insegnante ci aspettano davanti alla chiesa. Nel seminterrato prendiamo posto a semicerchio e i bambini possono porci le loro domande. Le domande dei bambini sono sempre delle sfide; oltre a domandare qual'è la mia pietanza preferita, quale era il mio lavoro prima, quanti anni ho e quanti bambini ho, ci sono pure domande riguardanti la fede. Sono entusiasta. Uno sguardo d'ammonimento dei fratelli mi rende attento che è ora per il servizio divino. Una piccola pausa nella sacristia e già l'organo intona l'inno iniziale. Come a Vöcklabruck, tutto è preparato festosamente con molto impegno e devozione. In questo servizio divino la comunità ha ricevuto un sostituto del conducente. Dopo il commiato guardo nuovamente l'orologio; poco prima delle 22.30 confermo la prenotazione a Wels per il treno notturno e un letto su ruote mi riporta a Zurigo. La mattina non sono così riposato, ma almeno mi trovo a casa. Non mi resta tanto tempo, ci vogliono ancora le ultime preparazioni per il prossimo fine settimana.
